

## Milltimber School Parent/Teacher Consultation Tuesday 24<sup>th</sup> & 25<sup>th</sup> April 2018

Out of 190 families 64 returned forms.

When asked for future Parent/Teacher Consultations parents the majority of parents/carers opted to keep the existing format of 2 Parent Consultations and the current school report;

Option 1 – 2 x 10 minute Teacher/Parent Consultation slot and standard written school report (current format) **41 responses**

Option 2 - 2 x 15 minute Teacher/Parent Consultation slots and a shorter written school report (giving longer to talk to teacher) **21 responses**

**2 did not specify.**

Overall Parents/Carers;

- found the meeting to be informative and an effective way to engage directly with the teacher
- appreciate that teachers can answer specific questions regarding progress
- find Class Dojo is an effective tool for communication
- like opportunity to talk about progress/raise any concerns, find it's the best way to discuss matters concerning your child
- like open and honest conversations
- enjoyed seeing children's work and hearing about achievements
- appreciated seeing teacher face to face

Further Suggestions/Comments;

- Parents/Carers would like to know test results
- A progressive report showing Es and Os. Levels achieved are difficult to understand
- Didn't really find report enlightening even though they clearly take a while to complete
- Would like more detail in terms of age and stage
