Milltimber School and Nursery Wider Achievements
Working Together to be The Best We Can Be

Being proud of your child achieving new things is a really great feeling! It could be them learning a new skill, taking part in a club or group, raising money for a charity, helping out, simply finding a new activity they love.

Our school wants to celebrate your child's achievements with them, however small.
Please use the form below to tell us about the wonderful achievements your child has experienced this term and return the form below to the class teacher. Please feel free to include any photographs.
You can find this form on our School Website www.milltimber.aberdeen.sch.uk

Thank you.
