WORKING TOGETHER TO BE THE BEST WE CAN BE

Sporting success just keeps on running!

Great pride in our running team after achievements at Cults Relay

We are all super proud of our P5-7 runners who took part in the recent Cults Relay event. All pupils put in tremendous effort and demonstrated great team spirit.

Congratulations to our P5 team who won a 1st and 2nd place in their first ever race. A fantastic achievement.

Their P6/7 team-mates were just pipped at the line despite their great team effort.

Taking a monster challenge

P3-7 children are enjoying a new online reading and spelling package called Nessy, thanks to funds raised through the PTA.

Parent evenings

Thanks to all who attended parent evenings last week to meet your school and nursery teachers.

We did it again!

Another great effort from the Milltimber School and Nursery community in backing Bag2School. Thanks to all who donated their unwanted items.

New school update: Keeping everything crossed this time...

Plans for our new school have nudged forward a little bit since last week. The city council's Education Operational Delivery Committee met and agreed to relocate the existing Milltimber Primary School to a new building on an identified site within the Oldfold Farm development with effect from August 2021, or as soon as possible thereafter, **subject to approval of the fully costed business case at City Growth and Resources Committee.** We will keep tabs on this and let you know when this happens. Let's keep our fingers crossed until then...

DISCO Friday 27 Sept

P1-3 6:00-7:00
ticket includes entry, tuck & squash

P4-7 7:15-8:30
ticket includes entry & squash

£4
TUCK & GLOW ITEMS WILL BE ON SALE

Being kind and helpful, through words and music...

P6 enjoyed working together to learn a song about kindness. The class have been focusing on kind acts to one another.

Hear the pupils perform the song on Twitter: @milltimbersch

Pupils love learning from our 'bring your parent to work day'

Could you share your experience with our children?

At Milltimber, we take great pride in working with parents to help make our school a great place to learn. We appreciate that parents and carers across our school community have a raft of knowledge and experience of work that can benefit our children. Pupils in P1 have been enjoying visits from parents who have taken time to share information about their jobs and careers.

Mrs Nino-Ramirez told us about her job as a residential care manager.

Mr Casado told us about his job working offshore in the oil and gas industry. Thank you both so much! If you would like to help with this, please contact Mrs Pinkney.

Brambling on their mind...

We are lucky to live near some very fruitful berry-picking areas. P1 children donned their wet-weather gear and took a trip down to the old Deeside Line to find and pick brambles. What an adventure! They will make yummy bramble jam later this week... Yes please!

Love reading? Why not help our children?

A team of parents regularly help children with additional reading support. In one of many school/parent partnerships, pupils of all ages benefit from one-to-one help with their reading. If you would like to get involved in this rewarding reading initiative, please contact Mrs Smith.

That's it for now. Thank you for reading The Buzz. We are emailed out every week and available on the school website. Please let us have your news and views. Contact kay@marblesccc.com See you next week!
