WORKING TOGETHER TO BE THE BEST WE CAN BE

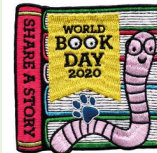

A study in science – See Page 2

If you go down to the woods today...

Improving outdoor learning opportunities for our children was on the agenda during in-service. Teachers built dens, working together to try out problem-solving ideas for outdoor learning.
#LearningOutdoors
#Collaboration

Celebrating our love of books, glorious books!

This year we will celebrate World Book Day as a school on **Monday March 2nd**. On that day we would like all pupils and staff to come dressed as a character from a book.

Ideally, we would like costumes not to be bought if possible. Please also encourage children to bring a favourite book to read on that day.

We will be having a sponsored reading session during the day. We would like to raise some money for reading resources at Milltimber. Please see form issued via email this week.

Thank you from The Pupil Council and The Book Busters Life & Ethos group.

Please get your tickets for the next... **DONS DAY OUT**

It was only the other day that fans were on the edge of their seats watching The Dons... why not come and join us for a family fun day out at Pittodrie on March 7th, when Aberdeen play Hibs? This is an easy way to help us raise funds for Milltimber Primary as AFC return half the ticket cost on these Dons Day Out events!
Under-12s £6, adults £22 (Under-18, Youth and 65+ tickets also available). Please contact Julie Watt: juliewatt1@hotmail.com or Nairn Watt: nairnwatt@hotmail.com to reserve your tickets, NOW!

Three cheers for Daniel and the young Dons

Our very own Daniel Davison was in the AFC Under-11 side that won the Glasgow Football Association Festival, then paraded the trophy at Pittodrie at half time.

We are not amused; we're impressed!

P6 had a lot of fun making their very own life-sized Queen Victoria as they start their learning all about The Victorian Era. She is now standing proudly in our classroom.

Share your good news!

Please let Mrs Gray know if you or your family have recorded any sporting achievement. You can feature on our wall of fame.

Curtain up for Glee stars

Our talented school Glee team take to the stage this week. We hope to have pictures and updates in The Buzz next week!

Please come along to the PTA AGM on Tuesday March 3rd @ 6pm in the school staff room. All welcome. Your school needs you!

WE ARE THE CHAMPIONS!

BUDDY PARTNERS LEAD THE WAY IN SCIENCE CHALLENGES

Our team of Science Champions have been learning so much together. P6 led their P1 buddies through a lesson about forces which they had planned themselves in groups. They planned, predicted, tested and evaluated.

During their second lesson, the champions were successful studying buoyancy. P6 led the learning with P1 where they had to predict, design, make and test objects that would float or sink.

A wonderful combination of pupils leading learning, the great outdoors, teamwork and STEM. Well done Science Champions!

speed = distance ÷ time

On your marks, get set, GO!
P7 were outdoor learning for Maths linked to distance, speed and time. They calculated average speeds for running across the playground.

Tuck shop update

Due to popularity, our Tuck Shop is now open Monday, Wednesday and Friday. All items 20p or 30p. Thanks for all your support!

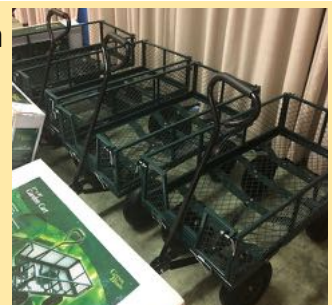

Finding that Maths is fun!

P3/4 are seen here completing their active stations on grid references and co-ordinates.

What a trolley good idea

Our PTA bought trolleys for transporting outdoor learning and den-building kits for the nursery and school.

Two trolleys hold den kits while others can be loaded up by children with equipment and transported all over the school grounds.

When studies and hobbies combine...

The boys in P6 and P5/6 really enjoy bringing in their Warhammer figures to share, discuss and compare. What a wonderful amount of work they have put into creating these figures. The knowledge they have about their work is amazing. Well done boys!

Calling all budding junior gymnasts!

Active Schools are looking to run another block of P1-P3 Gymnastics at Milltimber School, on Wednesday afternoons from 3.15-4pm. Spaces will be allocated on a first-come, first-served basis. Cost is £5 for a block of five sessions.

For more information, contact JoDixon@sportaberdeen.co.uk

Thanks for reading The Buzz this week; we hope you have enjoyed it. Please contact kay@marblesccc.com with your news and views. See you again next week!
